

Reibkäse grob

A spicy **grated cheese** is indispensable for many dishes and gives the final touch to a tasteful pleasure. Even the best cheese only develops its unique aroma when grated, melting gently into the dish and giving it a strong flavour.

Our coarse grated cheese is made from medium-flavoured hard cheese and goes excellently with Äplerröschtli, cheese spaetzle, sausage and cheese salad or gratinated delicacies such as casseroles, lasagne and moussaka.
